Your operation is scheduled for the

AFTERNOON

It is essential that you follow the fasting instructions detailed below. Failure to do so will result in the cancellation of your surgery.

X	DO NOT EAT anything after 6.30am
X	DO NOT EAT sweets or chew chewing gum on the day of admission
X	DO NOT DRINK fizzy drinks or milk after 6.30am
✓	You may drink WATER ONLY until 10.30am

You may however take your **usual morning medication** with sips of water unless you have been specifically asked to stop by your consultant/nurse.

If you are a smoker it is important that you **try to stop smoking** at least one week in advance of your surgery. This may help to reduce complications during and after your surgery.
